Buying Programs

Presort & Ship

Pull the cores you want to sell and we arrange a pickup. Stage cores on skids, Once you have 4-6 skids, we will pick them up and pay for the load. Just follow these simple steps:

Step 1. Pull alloy cores and stage on skids; assemble at least 4 skids. A “How To” video is available at www.blackburnwheels.com/we-buy/

Step 2. Contact us at cores@blackburnwheels.com. We will schedule a carrier to pick up the freight

Step 3. We will provide a Bill Of Lading (BOL), make copies, and attach one to each skid

Step 4. Once the product is received at Blackburn’s facility, we will take inventory and provide a check-in manifest with a total sale amount.

Step 5. Use the total sale amount to create an invoice and send it to cores@blackburnwheels.com.

Step 6. Blackburn will issue a purchase order and submit payment within 2-3 weeks

Inventory Purges

Create an inventory list of any alloy and steel wheels you would like to sell and email your list to cores@blackburnwheels.com. We will review the list and provide a price for each wheel we want to purchase. An Excel spreadsheet is preferred

Chrome and Chrome Clad Wheels: The chrome/face of the wheel must be in good condition; it cannot have any damage or peeling on the face of the wheel. Minor front and rear lip bends and corrosion are acceptable.

Steel Wheels: Must be structurally sound with no lughole damage or lip bends; minor corrosion is acceptable.

Additional information is available under the “We Buy” tab on blackburnwheels.com
